FIELD TRIP PERMISSION

During the school year there are times when our instructional program must be taken out of the classroom and into the community. Rather than asking permission for your child to participate on each occasion, your signature below indicates approval for your child to participate in field trips during the current school year. Through published calendars, newsletters or special notes, we will inform you of times and dates of each field trip prior to the event. This will give you an opportunity to contact your child's teacher if you have questions or choose for your child to not participate.

I grant permission for my child to participate on field trips.	Yes	No

STUDENT INSURANCE

Post Falls School District #273 does make student medical insurance available to families for their individual purchase. Brochures outlining the coverage and premiums are handed out at the beginning of the school year, and are available at the school office after that time. Even with the greatest precautions and the closest supervision, accidents can and do happen at school. They are a fact of life and part of the growing-up process our children go through. Parents, please be prepared to pay for your child's possible medical expenses that may arise should your child be injured at school.

I have read and understand the above information concerning medical insurance coverage.

LEGAL RESTRICTIONS

Are there Legal Restrictions regarding contact with this child? Yes___ No___ If yes, a copy of the court order MUST be on file at school. Our normal procedure is to contact the custodial parent when individuals attempt to make contact with your child without proper authorization. Please indicate any other procedures you want us to follow.

Your child's welfare is our primary concern. Please advise the school immediately of any changes in this information. Your cooperation is appreciated.
